Please note the difference between old sales tax system & new GST system on our prices as follows.

OUT OF MAHARASHTRA

OLD SALES TAX SYSTEM : We were charging you 12.5% EXCISE & 2% CST in our invoice which was not creditable to you & you have to add in your cost.

NEW G. S. T SYSTEM : Instead of 12.5% EXCISE & 2% CST we will charge 18% IGST which is creditable to you so you need not have to add in your cost. So as per IGST your cost is reduce by 14.5% than before + GST.

FOR MAHARASHTRA

OLD SALES TAX SYSTEM : We were charging you 12.5% EXCISE to you which was not creditable & was charging 6% VAT which was creditable.

NEW G.S.T SYSTEM : Instead of 12.5% EXCISE & 6% VAT, We will charge you 9% SGST & 9% CGST = TOTAL 18% GST which is creditable to you. So excise credit which you were not getting before but now you will get the credit. So with GST your cost is reduce by 12.5% than before + GST.
